

Northwestern University

Skin Disease Research Center

Second Annual

Research Retreat

*Tuesday,
May 10, 2011*

from

8:00am-1:00pm

*at the Baldwin
Auditorium in Lurie*

Call for Abstracts & Posters!

Do you perform Epithelial Biology Research?

If so consider participating in this research retreat on epithelial biology.

You'll hear about the new services offered by the NU-SDRC Cores and the results of the Pilot & Feasibility Studies funded by the NU-SDRC. We will also have a poster session for scientific interactions and feedback..

Schedule of Events

8:00-8:15 am	Introduction
8:15-9:00 am	NU-SDRC Cores - What are the latest services?
9:00-10:00 am	Abstract Presentations
10:00-11:20 am	Pilot and Feasibility Study Presentations
11:20-11:30 am	Closing
11:30-1:00 pm	Poster Session in the Ryan Atrium

Light Refreshments will be served.
