

Northwestern University Skin Disease Research Center

Third Annual

Research Retreat

*Tuesday,
June 12, 2012*

from

8:30am-12:30pm

*at the Hughes
Auditorium in Lurie*

*Abstract & Poster
Submissions due by June 3rd!*

Do you perform Epithelial Biology Research?

If so consider participating in this research retreat on epithelial biology. You'll hear about the new services offered by the NU-SDRC Cores and the results of the Pilot & Feasibility Studies funded by the NU-SDRC. We will also have abstract presentations and a poster session for scientific interactions and feedback.

Schedule of Events

8:30-8:50 am	Introduction and Administrative Core Report
8:50-9:40 am	NU-SDRC Cores - What are the latest services?
9:40-10:15 am	Abstract Presentations
10:15-11:00 am	Poster Session and Refreshments in the Ryan Atrium
11:00-12:00 pm	Pilot and Feasibility Study Presentations
12:00-12:30 pm	Closing Remarks and Poster Session Wrap-Up

Interested in Attending?

We'd appreciate it if you RSVP with Betsy Cutcher at e-cutcher@northwestern.edu by **June 3, 2012**.

*Please present an
oral abstract and /or poster.*

**Contact Betsy Cutcher at
e-cutcher@northwestern.edu to complete
the Abstract & Poster Submission Form.**

Note: We encourage all epithelial related poster submissions, including those already presented at the Landsberg Research Day. Abstract Submissions, Poster Registry and Attendance RSVP's are due by **June 3, 2012**.
