

Northwestern University
Skin Disease Research Center - Keratinocyte Core

Everyone Loves Something FREE Campaign!

We invite you to take part in our Everyone Loves Something FREE Campaign and take advantage of the coupons below to explore the services of the SDRC Keratinocyte Core! We provide expertise on the use of keratinocytes in your research and are conveniently located right on the Chicago Campus in Ward 13-049. For more information regarding the services contact Paul Hoover at paul-hoover@northwestern.edu or visit our website at www.skinresearch.northwestern.edu
